SYNOPSIS ENGLISH:

When father decides Richard is old enough to leave his parental home, he sends him out into the world. Only Richard keeps returning home: everytime in a more bizarre way. Somehow he seems attached to the house. When an unfortunate alteration in life takes place, Richard is forced to stand on his own feet.

BIOGRAPHY

Joost Lieuwma graduated in 2005 at the Utrecht School of Arts with his animated short 'Once upon a time in my wife'. Since then he is working as a freelance animator in Utrecht. 'Leaving home' is his third independent short after his graduation film.
