

Cloacinae (Serge Onnen and Sverre Fredriksen, 2017)

The Netherlands | 2017 | 25 min. | DCP, Prores HQ | 16:9 | colour | no dialogue

Synopsis:

Every modern society is built on two invisible and indispensable systems: the sanitary and the monetary system. When something goes wrong with either of them, our civilization is in danger. In this shadow puppet film we follow the journey of a cent that has fallen into the sewer system.

Credits:

Producer: Marc Thelosen, serious Film
